**SUBJECT**

Starting of a Sikh Gurdwara at Chhachhaqui & Dadbalapur.

P. 8/12

28/3

My dear Petitioner dated 21st June 1943 from M/s Raja Vasudeva Rao & Co stating that they intend to start a Limited Liability Company having a silk factory at Chickballapur with an authorised capital of Rs three lakhs, and applying for permission for the manufacture of filature silk with an initial capital of Rs three lakhs, and requesting Permission for the same, and for the grant of all possible facilities in the matter.

A similar petition by one Mr. Subbaratna Sarma for the starting of a filature of 100 basins at Chickballapur has been subtd on 22/6/43. It is not possible to supply them with the required cocoons they may be informed that their request will be considered when the Silk Filature Expansion Scheme gets well under way. Subtd for orders.

Diary No 7072.

26/6/43. There does not appear to be room for additional filatures at present. The sufficiency or otherwise of the supply of cocoons to the filatures that are to be put up under the Expansion Scheme, as already agreed upon, has to be examined when all the 1460 additional basins begin working. The question of allowing others to participate in the scheme on the same terms & conditions as those subject to which the present arrangements are made can be examined after watching the
